Happy Birthday on January

A simple lunch gathering with friends to celebrate a special occasion. Happy belated birthday to Rachel and Sufia. May you age graciously and healthily; as you celebrate the gift of life.

MESSAGE FROM MD

The year 2012 has come and gone. I would like to take the opportunity to congratulate the staff and marine crew for a good team work. The challenges we have gone through together in 2012 has made us all more experienced and ready to face the New Year with open minds.

Moving forward to a better and safer 2013 ahead for everyone. Happy New Year!

"So celebrate what you have accomplished, but raise the bar a little higher each time you succeed."

LSSB Annual Appreciation Dinner

Lantana Services held her very first annual appreciation dinner to both Brunei and Malaysia staffs including vessels' crews on the 4th January 2013 at Kuala Belait Boat Club. The dinner kicked off with the arrival of guests and was followed by the welcoming speech from Lantana Services' Brunei new MD Mr. Joffiry Rifin on the challenges LSSB faced in 2012 and the journey ahead in 2013. Along with dinner, musical performances, lucky draws and some games made the night more fun. It was really a wonderful, enjoyable fun-filling night. A night to remember indeed.

BEST PAKAT OF THE MONTH

I saw an engineer on duty using the embarkation ladder going down to the surface of the water in the middle of 2 ships to check something without proper PPE. I explained to the crew to wear the mandatory PPE because it is dangerous and if anything happens, there will be a risk of him getting badly injured and he must be alert of the rolling of the two vessels side by side due to the strong current of the water. Agreed and done.
