Days pass by so fast and now we are on the third month of the year 2013. Indeed it has been a very good start for us this year. Mobilization of numbers of vessels were done in compliance with safety and client's requirements. All were achieved with every staffs and crews contribution. With this, I am extending you all my gratifying CONGRATULATIONS for a very well start and I am looking forward towards continual improvement on the days to come. None a thing has been easy in an instant but working as a team makes it lighter leading to a clear vision of success. Teamwork is one key to achievements.

"Together we work. Together we succeed."

Recognition from Mashhor

On the 5th of March 2013 a Certificate of Appreciation was given to Lantana Services Sdn Bhd for the safe and successful association with Mashhor General Contractor Sdn Bhd in achieving 4 Million Manhours without LTI from April 2007-January 2013.

The ceremony was held in Dewan Persidangan Kuala Belait, Negara Brunei Darussalam. It is our honor to be part of the mentioned above and with that we would like to extend our big thanks to Mashhor for the recognition given.

Hearts and Minds-Learning from Incidents

From the tragic Road Accident Fatality at Seria town road junction on Jalan Tengah last 30 January 2013, A Hearts and Minds session was conducted in cooperation with the BSP STL Professional Drivers on the 18th March 2013 at Atrium-BSP HQ, 20th March 2013 at Kenawan Meeting Room NIA, and 21st March 2013 at Atrium-BSP HQ. All BSP staff and Business partners via Contract Holders participated in the assembly on which attendees were divided into 3 groups to discuss the 3 factors which highly concerned the issue: 1. Road Safety Bow-Tie for all drivers, 2. Road improvement, 3. Management of Change (MOC). Contributions of knowledge and exchange of understandings were delivered and shared among the members and rotation from one group to another took place to extend the insights of each factor given to a group. Learning from this incident is the best tool to achieve a safer environment not just by words but by more safe actions to live with. The session was dismissed with a reminder to everyone as it is always been said...SAFETY IS OUR PRIORITY!

HSE Plan 2013 review -Quarter 1 was held in SMR last March 27, 2013. It's aim is to oversee the status on how are performing so far as per the plan. SMR/4 and contract holders partake in the review and confer their insights with the standing.

Drugs & Alcohol Test

In line with our commitment and in compliance with the Company and BSP policy on Drugs and Alcohol Abuse, chosen staffs namely: Jia Ming, Nisa & Syami went off to Panaga hospital to have a test on the 27th of March 2013. Few minutes time were taken for samples and subsequent to that as expected the result turns out with flying colors - "NEGATIVE".

Leadership & Commitment—Our very own MD submit himself to pay a visit to our vessels: Oil Supporter, SK Line 10 & Dayang Cinta to give an input on SAFETY so as on HEALTH & Environment as well.

Safe visit by FHC Dept., BSP

March 26, 2013 representatives from BSP-FHC Dept. did a safe visit to one of our LCT vessel (Dayang Cinta) The Master of the vessel, our DPA and our MD assisted on the visit. As part of it queries on safety onboard were discussed and complemented by both sides.

Vessel Mobilization

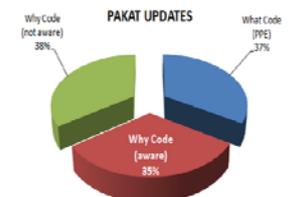

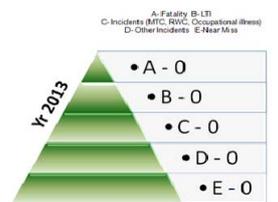

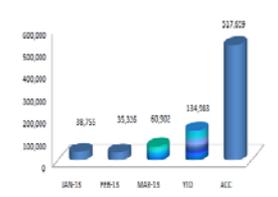

Mobilization of seven more vessels took place on this month namely: Belait Rafidah, Dayang Indah, Oil Supporter, Pelican Brave, Jati Three, SK Line 801 and SK Line 11. Different types and specifications of each vessels are with held to meet the clients' requirements in doing business within Brunei water.

The best thing to celebrate about is LIFE. On the 20th of March a birthday bash meant for four of our good colleagues was held in LSSB office. **Happy Birthday** to our dearest Syami, Wong, Royce and Marvin. More days and years to celebrate - more blessings to count.

2013 Monthly Manhours

BEST PAKAT OF THE MONTH

I saw a cook not using chopping board instead cut the tomatoes in his hands. I stopped him & informed no work is urgent and instructed him to use the correct tool for the job. He thank me and agreed.
