An annual dinner was held in Merritz Hotel in Miri, Sarawak on 12 Dec organized by LSSB Malaysia. Beside LSSB personnel from Brunei and Malaysia, Suppliers and business associates were also invited. There were various programs and fun activities such as limbo, banana and ice cream eating contest, lucky draw and best dress. The event ended with a group session picture.

## BSP SAFE Visit onboard Belait Fatimah

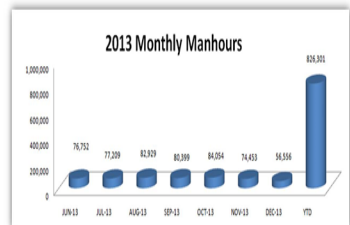

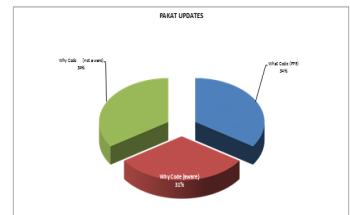

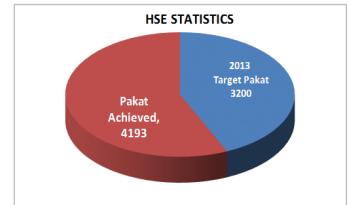

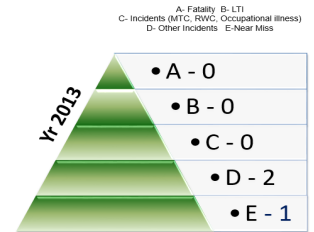

On 13 Dec 2013, BSP SAFE visit organized by SMR was conducted on board MV Belait Fatimah moored alongside at STL Wharf. The objectives was for BSP Senior Management to visit BSP sites in order to understand the operation, safety awareness and well being of personnel working at the site. The visitors also conducted safety tour, provided encouragement and improvements. Well done for the ship and its crew for its outstanding performance.

## Best pakat for the month of December

While alongside at lantana base, I saw a crew trying to fasten the mooring line to the bollard on wrong position i.e on the snap back zone. I stop him to pay attention onwards his position on the snap back zone when he is handling out the mooring activities. Done and understood - Abdul Rachman Taib - Master
