MOBILIZATION OF ENA SHOGUN

Lantana Services Sdn Bhd have been awarded a one-year with option to extend contract for the provision of DP2 180 tons anchor-handling tug supply (AHTS) vessel from Brunei Shell Petroleum to support semi-submersible rigs at Brunei water. We have successfully delivered the vessel on the target date and expressed our thanks to our team and business partners (Eastern Navigation, Vroon Offshore & KTL Services).

SHIP MANAGEMENT

Lantana Services as a ship manager for Da-yang Indah, a supply vessel, has successfully delivered the vessel for Petronas job in Malaysia.

CHINESE NEW YEAR 2020 OFFICE LUNCHEON

On 3rd of February, the Company hosted a Chinese New Year get-together luncheon at All Seasons Restaurant for Lantana onshore support staff. It was a great opportunity to be united as one during this season.

VESSEL CREW MANAGEMENT

Lantana Services have secured jobs for provision of marine crews to various ship owners to support their jobs in Brunei water.

FAREWELL TO A COLLEAGUE

Hui Zhen waved her goodbye to the Company. We regretted to see her go but at the same time we wished her an incredibly good luck and success on her next endeavour in life. We would like to say a BIG THANK YOU for her great things and contributions and good job towards the Company during her stay.

MANAGEMENT VISIT

Our Managing Director, Mr. Joffiry visited ENA Shogun for a safety visit and engagement enrolment on the 30th April 2020. The management have spent quality times with the vessel's crew on how to tackle mentally and physically during this Covid-19 pandemic, so that they will have more positive mind set and able to cope more effectively that we all face from time to time.

WEEKLY MANAGING CREW WELLBEING / CREW CHANGE CHALLENGES ONLINE DISCUSSION.

These discussions were being held weekly commencing 29th April 2020 until 15th July 2020 on how to overcome the challenges that all marine companies and clients were facing during Covid-19 pandemic whereby several restrictions were imposed and new regulations implemented not only in Brunei but internationally.

COVID-19 PREVENTION WITHIN LANTANA PREMISES AND EMPLOYEES

Our Company are on constant discussion and taking some access control measures during this Covid-19 pandemic with immediate effect, in line with guidelines by Ministry of Health.

Forehead thermometer, hand sanitizer, face masks — All these are put in place at the entrance of the office and onboard the vessels. **Surface cleaning** — Disinfect the surface, especially handrail, doorknobs, car handles & steering. **Social distancing** — 1 meter social distancing practice adhered. **BruHealth QR Code** — at office is installed to ensure safe monitoring during this pandemic.
