## LANTANA MANHOURS—2,546,661

## MANAGEMENT & TEAM VESSEL VISIT

Our Managing Director, Mr. Joffiry and the team visited ENA Shogun, Salvin Ruby & Salvin Topaz for safety visits and engagement enrolment. The management has spent quality time with the vessels' crew on how to tackle mentally and physically during this Covid-19 pandemic, so that they will have more positive mindset and ability to cope more effectively that we all face from time to time. These various visits also included all the OVID inspections, LTO inspections and assisting Technical Management on their internal audit.

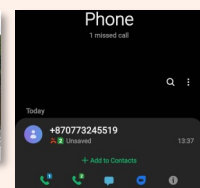

## GET-TOGETHER SESSIONS

The Company hosted the get-together sessions with all vessel's crew at different dates with Lantana onshore support staff. It was a great opportunity to foster relationship and get to know one another between shore staff and offshore staff.

## DAYANG INDAH SHIP-SHORE DRILL

The Ship-shore drill was conducted on the 16th of August 2020 and it was a successful drill by both shore and offshore staff.

## BMA MEETING

The meeting was held on the 9th of September 2020 at the BMA building, Kuala Belait together with other marine companies. New requirements and recruitment guidelines for marine cadets of Brunei Darussalam were some of the topics discussed.

## BSP FINGER INJURY FORUM

This forum was one of the yearly programmes held by BSP. Most of the incidents happened were related to finger injury. Therefore, this event was being held at BSRC on the 2nd of October 2020 to highlight causes and ways to prevent occurrence. Various oil and gas companies were involved in this event to show their alerts, initiatives, guidelines and some activities / games on how to prevent the situations.

## ENGAGEMENT / ENROLMENT OF BSP SAFETY TRAINING BY LANTANA SERVICES MANAGING DIRECTOR

This e-learning training by our Managing Director is to target on responsible personnel for helping their team to learn from incidents, such as Supervisors onboard—vessel's Captain and Officers, and Managers. Through this training and set of exercises with all the crews, we were gathering some knowledge about what went wrong and change of working practices such as the JSA / JHA to prevent future incidents or suffering incidents with similar causes.

## DOC ANNUAL VERIFICATION

The DOC annual verification was conducted on the 1st of December 2020 by the MPABD, Hj Lani. There is zero number of major and minor non-conformities. A job well done to LSSB Team.

## Q2 BEST PERFORMING VESSEL

Brunei Shell Petroleum Co. Sdn. Bhd. awarded MV ENA Shogun as the best performing vessel with SMR backpacks and caps. Brilliant job!

## UNANNOUNCED DRUGS & ALCOHOL TEST

One of the programmes in the MSIP plan is to conduct one session of unannounced drug and alcohol test on all ENA Shogun crew. This was held on the 2nd December 2020 by LSSB team. The results?!! Both breathalyzer and urine tests came out NEGATIVE! The Management and LSSB team gave thanks and congratulated the Master on board and his crew in making the Drugs & Alcohol testing a success.

## ENA SHOGUN LTO INSPECTION

The inspection was conducted by MPABD, Captain Zulkiflee and Hj Lani, on the 2nd of December 2020 and emerged with a successful result.

## ENA SHOGUN OVID INSPECTION

The OVID inspection was held on the 3rd of December 2020 and was attended by LSSB team. It was a successful audit with only 6 observations. Congrats to ENA Shogun!

## Q4 LSSB BEST PAKAT AWARD

Q4 Best Pakat recipient.

## OFFICE DRILL

As part of the safety compliance, the company has conducted an annual office drill on the 4th of December 2020 to promote knowledge and generate awareness on how to respond to any possible emergency situation that may occur in workplace.
